Landscape Contractors & Designers review in Calgary

6 months ago

We recently completed our 3rd project by Almac, this one being by far the most ambitious. (Our first was 26 years ago)

We met with Alan numerous times before and after during the collaborative design phase. Once construction began, Alan checked in almost daily.

The Almac team is professional, friendly and courteous. Their results are proof of pride in workmanship.

From start to finish Alan and his team make every effort to ensure customer satisfaction.

We highly recommend Almac Landscaping without reservation. You will not be disappointed
