Back Yard Patio And Landscaping

10/10

Landscape Contractors & Designers review in Calgary

6 months ago

After completing a fully satisfactory transformation of our front yard last year, Al and his team finished the back yard this year based on the drawings that Al had prepared. We are thrilled with the care and precision used to fix some tricky grades and lay Classico pavers for the patio and walks. The crew was was amazing and we couldn't be happier with the result - on time and on budget.
