Backyard Renovation

Landscape Contractors & Designers review in Calgary

10/10

We have a large sloping pie lot with 20 year old landscaping that was a terrible mess. We worked with Alan over the winter to decide how to improve it. Alan and his team (George, Adam, Miguel, James, Connor and Garrett) were there every morning bright and early and worked hard through the day. They were a great bunch of guys, pleasant and helpful. They cleaned up each evening and finished the job quickly. They had some ideas that we incorporated along the way, and we ended up with an amazing back yard that is accessible, usable and beautiful. We've already had several positive comments on it, and we love it. We are very satisfied with the work and wouldn't hesitate to recommend Almac to anyone.
